("ADA"), and for damages pursuant to N.Y. Exec. Law Section 296, et seq. and New York Civil Rights Law § 40, et seq.

COUNT I

1. Defendant's property, The Civilian Hotel, is located at 305 West 48th Street, New York, NY, in the County of New York.

2. Venue is properly located in the Southern District of New York because venue lies in the judicial district of the property situs. The Defendant's property is located in and does business within this judicial district.

3. Pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1343, this Court has been given

original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. See also 28 U.S.C. § 2201 and § 2202. The Court has supplemental jurisdiction over the State Law Claims, pursuant to 28 U.S.C. 1337.

4. Plaintiff Helen Swartz is a Florida resident, is *sui juris*, and qualifies as an individual with disabilities as defined by the ADA. Ms. Swartz has multiple sclerosis and is mobility impaired, and uses an electric scooter to ambulate.

Helen Swartz was born and raised in New York City and visits on an average of five times a year to see shows, eat at facilities, visit family and friends, get her hair cut, and to shop at stores. Her younger daughter lives and works in Greenwich Village, her father lives in Great Neck, her brother lives on the upper West Side and her first cousins reside in New York City. When Ms. Swartz is in New York City her eldest daughter and granddaughter often take the train from Philadelphia to New York to meet her. Ms. Swartz dines out with friends and family every time she is in New York.

Helen Swartz was a guest of the subject hotel from April 21 through April 22, and plans to return to the property from December 19 through December 20, 2022, to celebrate her granddaughter's birthday. They plan to see a show and shop. The Plaintiff also wishes to avail herself of the goods and services offered to the public at the property, if the facilities are fully accessible and the barriers to access have been corrected. The Plaintiff has encountered architectural barriers at the subject property, which have impaired her use of the facilities and the amenities offered, and have endangered her safety at the facilities and her ability to access the facilities' facilities and use the restrooms.

5. Defendant owns, leases, leases to, or operates a place of public accommodation as

6. Helen Swartz has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations in paragraph 8 of this Complaint. Plaintiff has reasonable grounds to believe that she will continue to be subjected to discrimination in violation of the ADA by the Defendant. Helen Swartz has visited the subject property and desires to visit The Civilian Hotel in the near future, not only to avail herself of the goods and services available at the property, but to assure herself that this property is in compliance with the ADA so that she and others similarly situated will have full and equal enjoyment of the property without fear of discrimination.

7. The Defendant has discriminated against the individual Plaintiff and others similarly situated by denying them access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq.

10. The discriminatory violations described in paragraph 8 are not an exclusive list of the Defendant's ADA violations. Plaintiff requires the inspection of the Defendant's place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The individual Plaintiff, and all other individuals similarly situated, have been denied access to, and have been denied the benefits of services, programs and activities of the Defendant's buildings and its facilities, and have otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above. 12. Plaintiff is without adequate remedy at law and is suffering irreparable harm.

Considering the balance of hardships between the Plaintiff and Defendant, a remedy in equity is warranted. Furthermore, the public interest would not be disserved by a permanent injunction. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendant pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

13. Defendant is required to remove the existing barriers to the physically disabled when such removal is readily achievable for its place of public accommodation that have existed prior to January 26, 1992, 28 CFR 36.304(a); in the alternative, if there has been an alteration to Defendant's place of public accommodation since January 26, 1992, then the Defendant is required to ensure to the maximum extent feasible, that the altered portions of the facility are readily accessible to and useable by individuals with disabilities, including individuals who use wheelchairs, 28 CFR 36.402; and finally, if the Defendant's facility is one which was designed and constructed for first occupancy subsequent to January 26, 1993, as defined in 28 CFR 36.401, then the Defendant's facility must be readily accessible to and useable by individuals with disabilities as defined by the ADA.

14. Notice to Defendant is not required as a result of the Defendant's failure to cure the violations by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiff or waived by the Defendant.

15. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendant to alter The Civilian Hotel to make those facilities readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA; or by closing the facility until such time as the Defendant cures its violations of the ADA. The Order shall further require the Defendant to maintain the

required assessable features on an ongoing basis.

WHEREFORE, Plaintiff respectfully requests:

- a. The Court issue a Declaratory Judgment that determines that the Defendant at the commencement of the subject lawsuit is in violation of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq.
- b. Injunctive relief against the Defendant including an order to make all readily achievable alterations to the facility; or to make such facility readily accessible to and usable by individuals with disabilities to the extent required by the ADA; and to require the Defendant to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such steps that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services, and to require the institution of a policy that requires Defendant to maintain its accessible features.
- c. An award of attorney's fees, costs and litigation expenses pursuant to 42 U.S.C. § 12205.
- d. Such other relief as the Court deems just and proper, and/or is allowable under Title III of the Americans with Disabilities Act.

A refusal to take such steps as may be necessary to ensure that no individual with a disability is excluded or denied services because of the absence of auxiliary aids and services, unless such a person can demonstrate that taking such steps would fundamentally alter the nature of the facility, privilege, advantage or accommodation being offered or would result in an undue burden; and

C. A refusal to remove architectural barriers, and communication barriers that are structural in nature, in existing facilities....., where such removal is readily achievable.....N.Y. Exec. Law Section 296(2)(c).
